

DETROIT ZOO

Plenty of animals worldwide are endangered. Come to the Detroit Zoo to support the conservation of these rare creatures.

Tigers

Less than 500 Sumatran tigers exist in the wild today.

Rhinos

Only 60 Javan rhinos exist in the wild now; thanks to a national reserve in Java, Indonesia.

Orangutans

There is an estimated 6,600 orangutans left on Earth.

Sea Turtles

The Hawksbill sea turtle has lost 90% of its population in the past 100 years.
